Dear Mr. Peter Bohovesky:

In accordance with your request on file, this letter is to advise you that the above referenced inmate will be released from the New York State Department of Corrections and Community Supervision on parole supervision on or about July 8, 2019. Final release date will be decided upon completion of an investigation by a Parole Officer. Release could be earlier if the community plan is approved earlier.

The inmate will be supervised by Parole Officer O. Pendarvis of the Peekskill Area Office, located at 1 Park Place, Peekskill, NY, 10566, telephone number 914-734-4270. If you have any further questions, the Parole Officer or Senior Parole Officer can be reached at the above number.

You may also register at [www.vinelink.com](http://www.vinelink.com) for telephone, text and/or email notification of the inmate's release. Visit [www.vinelink.com](http://www.vinelink.com), use the drop down menu to click on New York and then follow the prompts to establish an account or continue as guest. You will then be prompted to search and register for notification about the inmate. If you do not have easy access to the internet, you may register for telephone notification of the inmate's release by calling 1-888-VINE-4-NY (1-888-846-3469) which is a toll-free call. The confidential VINE (Victim Information and Notification Everyday) service will notify you on the day of the inmate's release that the release has occurred.
